

By means of the present Preliminary Amendment, the specification has been amended to correct errors in the translation from the priority document and to be consistent with the Figures. Additionally, claim 23 has also been amended to correct an error in the translation from the priority document. Lastly, Figure 2 has been amended to include reference numerals 52a, 53a, and 53b which were inadvertently labeled 52, 53, and 53, respectively.

No new matter has been introduced into the disclosure by way of the present amendment to the claims, specification and drawings.

In view of the above, early and favorable consideration are respectfully requested.

Respectfully submitted,

Thomas Spinelli
